PRESIDENTS MESSAGE

Kia Ora e te Whanau, and welcome everyone to a new season.

Here's hoping the weather is much kinder to us for the upcoming 2023-24, allowing us to complete a full calendar of events without the attendant delays and cancellations of the previous season.

I'd like to extend a very warm welcome to our new members, and, of course, a welcome back to our existing members. I wish everyone success and enjoyment on the greens over the coming season.

We saw some stunning success for the club last season, arguably our most successful in the 125 Year history of the club, from picking up National and Centre titles, to one of our First Year members winning the Auckland Womens Champ of Champs Title. It has truly been a landmark season.

Tony Grantham had a stellar year picking up a National Pairs and National Champ of Champs Singles Title. Along with the Centre COC Title, he skipped our Fours team to an Auckland Title, represented NZ at the Commonwealth Games and the Multi-Nations Cup, and was selected to compete at the World Champs where he won Bronze leading the Fours. Deservedly he was named Auckland Bowler of the Year. Tony has certainly established himself as the premier lead bowler in the country, which is demonstrative of the enormous amount of work he puts into the sport. His dedication and effort lifts our club and our member base as a whole.

Another great victory was Jhanna Savov taking out the Womens Champ of Champ Singles title in her first year of bowling, an outstanding and unprecedented result, something no First Year bowler from any club in New Zealand has ever achieved.

Triumphs such as these, bolstered by the efforts of all our playing members, demonstrates what a strong club we are,

something we can all be proud of. To build on these successes, we will be establishing a regular Coaching & Drills programme at the club, elevating our collective skills on the green and setting the stage for this seasons achievements.

We also have a couple of new event formats coming up, including the "Good v Evil Battle", (The Barry Eskrigge Memorial Cup), and Drawn Graded Fours. With our Social Cups and our always popular Business House Bowls, this means we have something for all levels of bowlers, so do bring down family and friends to enjoy this great game of ours.

Additionally, we have numerous renovation plans in the pipeline, including renovation of the mens bathroom, the lower bowls shed fit-out, and development of an upstairs boardroom. These would not be possible without the hard work of the members who volunteer their time, and the club is hugely appreciative of this.

Please keep an eye out for working bee notices through the season, any help you are able to offer is always invaluable.

Kite koe i runga nga kakariki.
Kia pai to wa.

Nathan "Rang Haturini

OUR HISTORY

On September 15th, 1897, just down the road at Ferndale House, (the home of Mr Tonson Garlick), a meeting was held among those of the district who were interested in forming a Bowling Club.

The meeting unanimously resolved to form the Mount Albert Bowling Club. They adopted the rules of the Auckland Bowling Club with a few minor amendments.

They elected a committee, with Mr Garlick as President, to run their affairs. The Garlicks' were a prominent family in the district and much of the local activities occurred in and around their home. The local Tennis Club was also already established on their property so it was only natural that the family would make available some land on which the Bowling Club could be established.

Mr Tonson Garlick

Opening Day 1897

The club hired their first Greenkeeper for 15 Shillings a week. Two rinks were laid in, and eventually the inaugural opening day for the new club arrived on October 23rd, 1897. The first members paid a subscription of One Guinea.

The young club was not a year old when disaster struck. Mr Garlick embarked upon a trip to England, contracted an illness and died. The loss was a severe blow for the fledgling club as Tonson had been the driving force behind the club's establishment. The Garlick family however, maintained significant involvement with the club during its formative years.

CARE OF OUR GREENS

Your Greens

A important aspect of any Bowling Club is the maintenance of its Greens to the highest possible standard and it is to this end that the Greenkeeper and the Greens Superintendent direct their efforts both during the recess period and throughout the playing season. Much of this effort can be nullified by the lack of co-operation and care by **ALL** members. There are several ways in which wear and damage to the Greens can be minimised and members are asked to take note of and make every effort to implement the procedures set out below.

Compaction

Taking short cuts across Greens instead of walking around them to get to your rink at the commencement and the end of play. Dropping bowls from the bank instead of placing them on the Green and excessive movement about the "mat end" of the rink before delivering your bowls are all practices which cause additional compaction of the Greens. Compaction is a major factor which inhibits the ability of the grass to maintain vigorous and healthy growth.

Laws of the Sport of Bowls

A complete worldwide edition of the Laws of the Game has been produced. Ask the Club Secretary or one of the board members if you need assistance in obtaining a copy.

Mat Positions

Skips and Threes can greatly assist in the prevention of excessive wear at the ends of the rinks by ensuring leads regularly vary the mat position. Under the revised rules it is only when scrimmages are being used that the mat must be laid on the 2 metre mark.

Do not leave bowls on the Green during breaks in play, (morning tea, lunch or between games), as this can cause burning. Please place them on the bank or in the ditch.

Footwear

As the Greens are the **VITAL** asset to the club, it is important that suitable footwear is worn at all times. A list of Bowls New Zealand approved footwear can be found on their website:

<https://bowlsnewzealand.co.nz/approved-footwear/>

for social/casual bowlers you must wear flat soled (sports) shoes with no hard heels, with minimal grip or texture to the sole. Don't worry if you come with the wrong shoes; you can always play barefoot. If you are wearing incorrect footwear you will be asked to remove them in order to use the Greens.

The Blue Waters Community Trust was set up primarily to support amateur Lawn Bowls in the Auckland Bowls Inc. district and now supports many other community organisations in Auckland.

Blue Waters Community Trust generates funds for its Authorised Purpose by operating gaming machines in the greater Auckland region.

CONDITIONS OF PLAY FOR CLUB COMPETITIONS

The Bowls Operations Committee wishes to stipulate that when considering entry into various Club competitions, that such entry does not conflict with Centre or other fixtures that you may have entered. An entry chart will be placed on the Club Notice Board in the Clubhouse for each event. Also an electronic entry will be emailed to all Members. **Cut off time for entering events will be 5pm the night before the event.**

This will allow organisers to contact players in the event of byes, etc. For all team events, a space will be provided on the chart for members who are not in a team but who would like to play. This will allow members endeavouring to make up teams to see who is still available and keen to play. However, to prevent a bye, the Bowls Operations Committee may allow late entries in some circumstances. The Bowls Operations Committee may alter team compositions to accommodate all members who wish to play.

All championship events will be run as two events; one for men and one for women. All other competitions will be mixed. If, however, the Bowls Operations Committee determines that there are insufficient players, (or in the interest of wider participation), for a Championship Event, they may allow the event to be run as a mixed event.

The Bowls Operations Committee may alter the Conditions of Play to suit the circumstances prevailing.

All games will be played under Bowls Nz Rules.

Where possible, the draw will be communicated, (email, text, phone call), to all players participating, especially those players that may have a late start due to player numbers.

Score cards will be used in all Events. This will enable the Bowls Operations Committee to electronically record all results for future reference.

Draws

Draws will be conducted by Bowls Ops at approximately 5pm the night before the Event.

Draw process will be done with names listed from bottom to top with last drawn names having the bye if applicable.

SPORTSPERSON OF THE YEAR

The Sportsperson of the Year Trophy is open to **ALL** Full Playing members of the club.

The purpose is to recognise a member that has a high participation rate in all Club, Centre and national Events, and further rewards the results of members in each event.

The events are detailed under "Tournaments/Events in this Handbook, but will also include any additional organised events, (eg. Ham Tournament), hosted by the Club.

The Sportsperson of the Year Trophy will be presented to the member who has accumulated the most points during the season.

The points will be recorded for each member by a Club or Board member and/or the event organisers.

Eligible members will earn 5 ENTRY points for participation into any Club, Centre or National Event.

Plus points as per the table below.

A vertical poster for 'Joker Poker' at the Mount Albert Bowling Club. The top half features a grey background with a repeating pattern of playing card symbols (spades, hearts, diamonds, clubs). In the center, a stylized, colorful illustration of a Joker's face with a wide, toothy grin and wild hair is set against a bright yellow flame-like background. Below the illustration, the words 'JOKER' and 'POKER' are written in large, bold, white letters with a thick blue outline. Underneath this, the 'Mount Albert Bowling Club' logo is displayed, consisting of a stylized yellow 'A' and the text 'MOUNT ALBERT BOWLING CLUB' in white, with 'EST 1897' in smaller text below. The bottom half of the poster has a dark blue background with white text detailing the event: 'Only \$1 Per Ticket', 'Drawn each Thursday Night at 7:30pm', 'Winning Ticket Picks One Card', 'Draw 1-10: Win \$10', 'Draw Face Card: Win \$20', 'Draw an Ace: \$50', and 'DRAW THE JOKER: \$300'. At the very bottom, in smaller white text, it says 'Once Joker is Drawn the Game Resets', 'Prizemoney may be altered dependent on Money Prizepool', and 'No Ticket Number Limits'.
